

2024 Memory Lights Program

“The act of remembrance is like an eternal flame that ignites passion in the heart.”

-C.G. Laboon

As a symbol of honor, Greenleaf Memorial Park places a memory candle at each site of interment following the committal service. Families may choose to continue this symbol of love and respect by participating in our Memory Lights Program. We will place a memory candle on your loved one’s site on any special dates and holidays that you choose. These candles burn approximately sixteen hours.
